

2 RENAISSANCE REPORT

Advances in many areas of society were made during this time. People were willing to discard old ideas and ways of doing things and to investigate the new. Do the following.

1. Select a topic from this list:

PAINTING LITERATURE RELIGION
WARFARE ASTRONOMY SCULPTURE
INVENTIONS SCIENCE
EXPLORATION MUSIC HEALTH

2. Investigate then describe why this topic was important during the Renaissance. What were the effects or changes that took place? Any lasting influence in today's world?
3. As a guide, use the WRITTEN PRESENTATION format posted at the center for help in writing your report. You may choose to include illustrations.

The DUE DATE is posted at the center.

WRITTEN PRESENTATION FORMAT for the RENAISSANCE REPORT

1. **COVER:** bind or staple the report with construction paper and fasten at the left margin. Place title of the report and your name on the cover.
2. **INTRODUCTION:** this is your explanation to the reader of the main idea of the report. Make it short and interesting to arouse curiosity of what you will present.
3. **BODY:** this is the main part of the report. Organize the information in logical sequence. Number the pages, starting with the introduction.
4. **CONCLUSION:** this is your summary of the ideas and the information you wrote. What did you learn about the topic? It may be factual or it can be your opinion of its importance during the Renaissance or the world today.
5. **GLOSSARY:** this is an alphabetical list of the important terms, names, and locations from the report.
6. **BIBLIOGRAPHY:** list all of your sources of information by title and in alphabetical order.
